

NEW CITROËN RELAY

AN EXTENSIVE CHOICE. THE NEW CITROËN RELAY OFFERS AN IMPRESSIVE RANGE OF EQUIPMENT IN OVER 40 CONFIGURATIONS.

THE NEW CITROËN RELAY HAS A GROSS VEHICLE WEIGHT OF UP TO FOUR TONNES, WITH PAYLOADS OF ALMOST TWO TONNES. THE NEW RELAY IS AVAILABLE IN FOUR LENGTHS, THREE WHEELBASES AND THREE HEIGHTS, ENCOMPASSING USABLE LOAD SPACES FROM 8M³ TO 17M³.

It is available in Panel Van, Enterprise, Chassis Cab and Crew Cab variants. With such a diverse and comprehensive range, the New Citroën Relay can be tailored to meet the needs of even the most specialist customer. Powering the New Relay are three diesel engines. HDi 110 optimised for low emissions and low fuel consumption, HDi 130 and HDi 150, all with exceptional pulling power. Each model now has ESC as standard and optional Intelligent Traction Control can be fitted, which features Hill Descent Control to retain grip and stability on slippery slopes up to 20mph.

› WELL CONNECTED

New Citroën Relay's audio technology has progressed – like everything else. Now there are new levels of functionality and connectivity that include DAB digital radio as standard across the range. On panel vans the Audio System with Connecting Box offers a host of features such as an LCD screen, Bluetooth® handsfree, USB 2.0 socket, Apple device interface and steering-mounted controls. Enterprise panel vans also benefit from a 5 inch colour Touch Screen, MP3 CD player and Bluetooth® handsfree with audio streaming and SMS functions.

› INTERIOR COMFORT

The New Citroën Relay has been designed to be a true extension of the office: three generous seats (driver's seat with height and lumbar adjustment and dual passenger bench seat), a quiet, well-insulated cabin, and a dashboard with multiple storage areas and clever features. A document clipboard integrated into the top of the dashboard keeps paperwork tidy, while a panel integrated into the back of the front dual passenger seat unfolds to become a work surface. Once you've finished working, your laptop can be stowed safely in the central one of two lockable glove compartments, specially designed to accommodate a laptop computer.

› PNEUMATIC SUSPENSION FOR EASY LOADING

Optional rear pneumatic suspension gives even greater ride comfort. The load sill – already very low even with standard suspension – can be lowered by another 7cm, giving the New Citroën Relay one of the lowest load heights in its class.

EVERYTHING. AND MORE. INCREDIBLY VERSATILE, SPACIOUS AND COMFORTABLE, THE NEW CITROËN RELAY IS READY FOR ANY PROFESSIONAL CHALLENGE.

AVAILABLE WITH A HUGE VARIETY OF EQUIPMENT INCLUDING A FULL STEEL BULKHEAD, STANDARD ACROSS THE RANGE, AND REAR PARKING SENSORS STANDARD ON ENTERPRISE MODELS AND OPTIONAL ON PANEL VANS. THE NEW CITROËN RELAY HARNESSSES CITROËN INNOVATIONS, INTELLIGENT DESIGN, DURABLE ENGINEERING AND THOUGHTFUL DETAILS TO CREATE THE COMPLETE WORKING PARTNER. ALWAYS VIGILANT, THE OPTIONAL TYRE PRESSURE SENSORS WARN YOU WHICH WHEEL IS AFFECTED WITH A CLEAR ON-SCREEN MESSAGE, WHILE ALL NEW RELAY ENTERPRISE MODELS GAIN AN ALARM, FOR COMPLETE PEACE OF MIND.

ALL KINDS OF CONTROL

Cruise control with programmable speed limiter makes it easy to maintain or limit speed in all conditions without using the accelerator pedal. The programmed speed can be changed instantly using the left hand stalk, or via the accelerator. Functions of the new system include acceleration and deceleration, vehicle speed memory, stored speed recall and automatic deactivation when the handbrake is engaged. This useful technology is standard on New Citroën Relay Enterprise and optional on other versions.

SECURITY

Trafficmaster Smartnav on Panel Vans and Enterprise models guides you to your destination via a colour touchscreen displaying the route ahead. GPS Stolen Vehicle Tracking means that once you have arrived you can park and leave your vehicle in complete peace of mind. Includes 3 years' Smartnav Touchscreen routes, up to 100 routes per month, 3 years' Stolen Vehicle Tracking, 3 years' automatically downloaded live traffic information, 10 Personal Assistant Smartnav routes and 3 months' Safe Speed safety camera alerts.

CONTROL IN FULL COLOUR

Available for the first time in New Citroën Relay, the optional colour reversing camera works with rear parking sensors, transmitting bright clear images to the 5 inch colour LCD audio system screen. Engaging automatically when reverse gear is selected, the camera adds useful guide lines to the image you see to make the trickiest manoeuvres much easier – and bump free.

RELAX, YOU'RE ON COURSE

With its camera mounted above the rear view mirror, the Lane Departure Warning System senses when New Relay drifts across lane markings without indicating and sends you an audible and visual warning. This innovative and reassuring technology activates at speeds above 37mph (60 km/h) and is standard on New Relay 40 Heavy models or an option for all other versions.

^{*} 2200 with extra wide door mirrors (fitted as standard); 2350 with optional, wider door mirrors.

All measurements are in millimetres.

GREEN EFFICIENCY. CITROËN HAS BEEN PIONEERING CLEANER, MORE FUEL-EFFICIENT MOTORING, SUCH AS THE COMMON RAIL HDi ENGINES NOW FITTED IN ALL NEW CITROËN DIESELS, LONG BEFORE ALL THE HYPE...

CITROËN HAS ALWAYS BEEN AT THE FOREFRONT OF GREENER TECHNOLOGY AND THE NEW CITROËN RELAY MAINTAINS THAT TRADITION. IT'S WHY WE ARE FOUR-TIME WINNERS OF THE GREEN FLEET LCV MANUFACTURER OF THE YEAR, INCLUDING THEIR MOST RECENT, 2013 AWARD. TODAY, WE HAVE ONE OF THE UK'S WIDEST RANGES OF LOW EMISSION VEHICLES. WE ALSO PRODUCE ONE OF THE UK'S MOST ECONOMICAL LIGHT COMMERCIAL VEHICLES, THE CITROËN NEMO VAN.

We've been equipping more of our vehicles with more environmentally friendly breakthroughs, such as e-HDi which puts the engine into idle mode as you decelerate and stops altogether as you come to a halt. The moment you take your foot off the brake, it restarts silently and without vibration. The results are a dramatic reduction in both fuel consumption and CO₂ emissions, combined with responsive performance wherever you go.

➤ **AIRDREAM – A BENCHMARK**
Citroën's environmental commitment and advanced efficiency are perfectly illustrated by Airdream. It's a benchmarking scheme that has three demanding criteria which a vehicle must achieve before it can wear the name. Firstly it must emit no more than 140g/km CO₂. Secondly it must be produced at a plant that meets the rigorous ISO 14001 certification and also it must be 95% recoverable. Only e-HDi, electric or Hybrid4 engined Citroëns currently qualify. It's no surprise that Citroën is one of the leaders in Europe for low CO₂ emissions.

GO LO CO₂ WITH B30
All Citroën HDi diesel vans run on 30% bio-diesel

Citroën is a leader in the manufacture of low CO₂ emissions vehicles

➤ **THE AWARD WINNING CITROËN VAN RANGE**
Citroën has an impressive range of vans to offer, full of innovations and technologies that raise the bar for comfort, safety, hard working efficiency and style. Our four model van range goes from the fabulously compact Citroën Nemo to the hugely versatile New Citroën Relay and includes a number of Specialist models. Whichever you go for you'll get plenty of ingenious storage and business focused equipment, all designed to make your work easier and extra efficient.

DRIVE YOUR WAY. GET BEHIND THE WHEEL OF YOUR NEW CITROËN RELAY, WITH CITROËN'S RANGE OF FINANCE AND INSURANCE PRODUCTS.

FOR BUSINESS USERS

CITROËN CONTRACT MOTORING

HIRE PURCHASE
A tried and tested finance package that allows you to own your vehicle.

CITROËN INSURANCE

INSTANT COVER
To help you drive away your new van without delay, we offer Instant Cover insurance, providing you with 7 days comprehensive insurance, for free!

MOTOR INSURANCE
Citroën Insurance has been designed specifically for our vehicles. You don't just get repairs you get Citroën expertise, service, quality and parts. So, when the time comes to renew your insurance cover, call Citroën Insurance on 0870 024 2725.

Lines open 8am - 8pm weekdays, 9am - 5pm Saturdays. Max call charge from a BT landline is 8p per minute. Calls from other networks may vary. Alternatively, visit www.citroen.co.uk for more information or to apply online.

Citroën Insurance is underwritten by U K Insurance Ltd which is authorised and regulated by the Financial Conduct Authority. Citroën Insurance is a trading style of Banque PSA Finance UK of Quadrant House, Princess Way, Redhill, Surrey, RH1 1QA.

ESSENTIAL CARE. CITROËNS ARE RENOWNED FOR THEIR RELIABILITY – AND THE NEW CITROËN RELAY IS NO EXCEPTION.

WITH THE ADDED REASSURANCE OF A WARRANTY, ROUTINE SERVICING AND MAINTENANCE, AS WELL AS 24-HOUR ROADSIDE ASSISTANCE, YOU ARE PROTECTED.

CITROËN WARRANTY
Every new Citroën van has the benefit of a 3 year* warranty package, plus a 5 year anti-perforation** warranty and a 2 year paint warranty.
* 2 years' unlimited warranty. No-fee customer option of 1 year's Dealer provided warranty, only on vans sourced from Citroën UK Limited. Note: Dealer provided warranty is limited to 100,000 miles for vans.
** Against all internal to external perforation to bodywork or underbody.

CITROËN ASSISTANCE
In response to a free telephone call in the UK, Citroën Assistance brings rapid expert roadside assistance to you in an emergency. It comes free of charge for a full year and operates 24 hours a day in all parts of the UK and Europe. Services include nationwide recovery for both van and passengers, a home call service, replacement vehicle, hotel accommodation and vehicle storage if required. Please note, Citroën Assistance only applies to incidents covered by the new vehicle warranty, and excludes non-vehicle faults, such as running out of fuel, mis-fuelling, loss of keys, lock-ins, road traffic accidents and punctures/wheel changes.

Full details are available on request from Citroën UK via cuk_contactcentre@citroen.com

CITROËN MAINTENANCE
From roadside assistance to replacing wear and tear parts or regular servicing, with Citroën Maintenance you have total peace of mind. For a one-off fee or low monthly payment, our experienced engineers will take care of your Citroën, whatever happens. To find out more, contact your Citroën Dealer or Citroën Authorised Repairer.

CITROËN SERVICING
Available up to 1 year from your vehicle's registration date, but before its first chargeable service, a Citroën Servicing Package enables you to pay in advance for your vehicle's servicing needs for 3 years/35,000 miles. For further information, please contact your Citroën Dealer.
